

Bachelor of Pharmacy (BPharm)

ADMISSION OPEN FOR 2021

at Kathmandu University

Kathmandu University (KU) is an institution of higher learning dedicated to maintaining the standard of academic excellence in various disciplines. The mission statement of the University is "to provide quality education for leadership". The vision is "to become a world-class university devoted to bringing knowledge and technology to the service of mankind". Department of Pharmacy, under the School of Science, KU, started country's first four-year BPharm program in 1994. We are also the pioneer to launch MPharm, PharmD (Post Baccalaureate) and PhD in Pharmacy programs in the country.

About Us

About the Program

BPharm course is designed to prepare professionals responsible for the preparation, dispensing and appropriate use of medication to achieve optimal therapeutic outcomes.
